

**Meeting - Thursday, January 5, 10:00 - Noon, GSU** (for the subsequent meeting we find that 11 to 2 avoids heavy traffic and is easier for those who have further to travel)

John Bugge and I invite you, that are working with retired faculty and staff, to explore and discover how we can share ideas and programs with other schools in Georgia. We plan to have our first meeting at **Georgia State University at 10 am to noon on Thursday, January 5 in the House Salon in the Student Center**. See building #33 on the GSU map at <http://www.gsu.edu/map.html>. Please RSVP to [dewert@gsu.edu](mailto:dewert@gsu.edu) or call my home at 404-252-8892 as soon as you can.

The get-together starting at 10:00 will go until 11:30 when we will have a light lunch, in our meeting room. Each school will have an opportunity to present an example of its best-practice. An agenda will follow as well as parking instructions and directions to our meeting's building and room.

John and I will continue to get in touch with other schools to join us, and we will appreciate your suggestions of people to contact at other schools. The preliminary response to our meeting has been enthusiastic. We are encouraged and look forward to hearing from you and working with you.

Take care, *Dave*
