John and Dorothy will present why and how retiree organizations make significant contributions for the provost, HR, and development. As part of our meeting there will be a workshop to develop a plan for you and your colleagues to garner more support from your school and retirees. The support can be to grow your retiree organization or for your school to establish one.

Join GA-HERO: We who work with retired faculty and staff in Georgia know what a rich resource our retirees are for our colleges and universities, not to mention our wider communities. What we may not realize is how many challenges, joys, and accomplishments we share and how these experiences can help extend the resources of our institutions. Please contact Dave Ewert.

Directions: On I 285 take Exit 41 (Memorial Drive) east. Turn left at second light onto North Indian Creek Drive. Go approximately one-half mile to traffic light. Turn right onto Memorial College Drive and take the first right into [GPC's Parking Lot 3](#) which is adjacent to the CL Building, the Library.
