**Anne Richards, Emerita Professor of Psychology, UWG**  
**Wanda McGukin, retired Director of Career Services, UWG**  
**Dennis Marks, Emeritus Professor of Physics, VSU**

Why should your institution create and support a Retirees Organization? Retiree organizations are a rich source of expertise, institutional history, fundraising, and volunteers. Retiree organizations keep retirees connected to the institution and each other. At this meeting, experienced leaders will share their ideas and suggestions for creating and growing a retiree organization.
